3. SUPPLY OF EQUIPMENT

3.1 The Customer warrants to VEGA that the Scope of Work contains all the Customer's requirements in relation to the Equipment. The Customer is responsible for ensuring that the contents of the Quotation and the Scope of Work are complete and accurate.

3.2 The Equipment will be as described in the Quotation. All drawings, descriptive matter, specifications and advertising issued by VEGA or contained in VEGA's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the equipment described in them. They shall not form part of the Agreement.

3.3 If the Equipment is delivered to the Customer prior to installation the Equipment will be at the Customer's risk from the time of delivery until commencement of installation and during that period the Customer will insure the Equipment in accordance with Condition 3.5.2. Thereafter risk in the Equipment will pass to the Customer on the date on which the tests referred to in Condition 4.7 have been successfully completed.

3.4 Ownership of the Equipment will not pass to the Customer until VEGA has received in full in cash or cleared funds:

3.4.1 all sums payable in respect of the supply and installation of the Equipment; and

3.4.2 all other sums which are or which become payable by the Customer to VEGA on any account including any interest on such sums.

3.5 Until ownership of the Equipment has passed to the Customer, the Customer shall:

3.5.1 hold the Equipment on VEGA's behalf; keep the Equipment separate from other equipment belonging to the Customer or any third party in a way that it is readily identifiable as VEGA's property; and not destroy, deface or obscure any identifying mark or packaging on or relating to the Equipment; and/or

4.1 Delivery dates are provisional and estimated. Delivery dates stated or otherwise confirmed by VEGA, whether in writing or orally, are bona fide estimates but VEGA cannot guarantee the same and no liability shall attach to VEGA in the event of a delayed delivery. Delay shall in no circumstances amount to or be deemed to be a breach or repudiation of the contract.

4.2 Subject to Conditions 4.3/4.4 and to the Customer complying with its obligations under the Agreement and unless otherwise agreed, VEGA will carry out the installation and commissioning of the Equipment at the Site following delivery of all Equipment and necessary installation equipment to the Site.

5.5 VEGA will indemnify the Customer against any claim that the use or possession of the Software (but for the avoidance of doubt, not the Third Party Software), as authorised by the Agreement infringes the intellectual property rights of any third party provided that VEGA is given immediate and complete control of such claim, the Customer does not prejudice VEGA's defence of such claim and the claim does not arise as a result of the use of the Software in combination with any equipment or software not supplied or approved by VEGA. VEGA shall have the right to replace or change all or any part of the Software in order to avoid any infringement or to terminate the Agreement and the Maintenance Services (if any) and refund to the Customer an appropriate portion of the price paid by the Customer for the supply and installation of the Equipment. The foregoing states the entire liability of VEGA to the Customer in respect of the infringement of intellectual property rights of any third party.

7.2.4 the Customer is not in breach of any of the Customer's obligations pursuant to the Agreement; and

7.2.5 the Equipment or the Software has not been modified, altered or interfered with in any way without VEGA's prior written consent or been subject to misuse, improper maintenance, negligence or other damage; and

7.2.6 VEGA shall not have any liability for the Third Party Software.

7.3 In the event of a breach of any of the warranties contained in Condition 7.1, VEGA's liability to the Customer:

7.3.1 with regard to the supply and installation of Equipment, shall be limited to repairing or replacing or re-installing the Equipment in question; and

7.3.2 with regard to Software, shall be limited to VEGA using reasonable efforts to correct such defect in each case within a reasonable period of time.

11.2 The provision of Maintenance Services may be terminated, including for the avoidance of doubt during the Initial Maintenance Term:

11.2.1 forthwith by either party if the other party commits any material breach of any term of the Agreement (other than one falling within Condition 11.1.2 or 11.1.3) and which (in the case of a breach capable of being remedied) shall not have been remedied within 30 days of a written request by the other party to remedy the same;

11.2.3 automatically if VEGA terminates the Customer's licence of the Software in accordance with Condition 5.5 or 5.6.

11.3 If VEGA terminates its provision of Maintenance Services pursuant to this Condition 11 VEGA shall be entitled to retain all Maintenance Fees paid by the Customer prior to such termination and shall not have any further obligation to provide Maintenance Services to the Customer.

11.4 Subject to Condition 11.2.3, termination of Maintenance Services shall not terminate or affect the licence of the Software which shall continue in force in accordance with its terms.

11.5 Notwithstanding any other provision of these Conditions VEGA may:

12.4 The price for supply and installation of the Equipment, Maintenance Fees and all other prices quoted by VEGA for the provision of services, apply on the basis that work will be carried out during Working Hours. If, at the Customer's request, VEGA performs any services outside Working Hours VEGA will charge for such work a supplementary charge at VEGA's then prevailing rates. For the avoidance of doubt nothing in the Agreement shall oblige VEGA to perform work outside Working Hours.

12.3 The Customer will make all payments due to VEGA under the Agreement without any deduction by way of set-off, counterclaim, discount, abatement or otherwise.

12.4 If the Customer fails to pay VEGA any sum due pursuant to the Agreement on the due date the Customer will be liable to pay interest to VEGA on such sum from the due date for payment at the annual rate of 4% above the base lending rate from time to time of VEGA's bankers accruing daily until payment is made, whether before or after any judgment.

13.1.6 not to make any addition, modification or adjustment to the Equipment without VEGA's prior written consent; and

13.1.7 to provide any other assistance as is reasonably required by VEGA in order to perform its obligations under the Agreement.

13.2 The Customer warrants that all information it provides to VEGA including the information on the Quotation is true and accurate and agrees that VEGA may disclose information about the Customer and the Agreement as VEGA considers reasonable and necessary.

14. LIMIT OF LIABILITY

14.1 The provisions of clause 7 and the following provisions of this Clause 14 set out VEGA's entire liability (including any liability for the acts or omissions of VEGA's employees, agents and sub-contractors) to the Customer in respect of any:

14.1.1 breach of the Agreement;

14.1.2 representation, statement or omission, including negligence or breach of statutory duty, arising under or in connection with the Agreement.

14.2 All warranties, conditions and other terms implied by statute or common law (save for the conditions implied by section 12 of the Sale of Goods Act 1979) are, fully permitted by law, excluded from the Contract.

14.3 Nothing in these Conditions excludes or limits VEGA's liability:

14.3.1 for death or personal injury caused by VEGA's negligence;

14.3.2 under section 2(3) of the Consumer Protection Act 1987;

14.3.3 for any matter which it would be illegal for VEGA to exclude or attempt to exclude its liability;
or

14.3.4 for fraud or fraudulent misrepresentation.

14.4 Subject to Conditions 7, 14.2 and 14.3:

14.4.1 VEGA shall not be liable to the Customer for the Third Party Software or for any pure economic loss, loss of profit, goodwill, business opportunity or production downtime or any type of indirect or consequential loss or damage, costs, expenses or other claims for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the Agreement; and

14.4.2 VEGA's total liability in contract, tort (including negligence or breach of statutory duty), misrepresentation, restitution or otherwise, arising in connection with the performance or contemplated performance of the Agreement shall be limited:

(a) in relation to loss of or damage to the Equipment or any part of it caused by VEGA's negligence, to VEGA at its own expense and at its absolute discretion either restoring such Equipment or part to the condition it was in immediately before such damage or replacing such Equipment or part with items or part in a condition similar to that which the lost or damaged Equipment or part was in immediately before such loss or damage;

(b) in relation to loss of, or physical damage to, the Site or to any property, other than the Equipment, lawfully on the Site caused by VEGA's negligence, to £100,000 per event or in aggregate whether the same shall arise out of any single event or a series of connected events;

(c) in relation to the supply of Maintenance Services, to the Maintenance Fee paid by the Customer for the Maintenance Services for the Maintenance Year during which the claim is made;

(d) in relation to any other breach, to the price paid by the Customer for the supply and installation of the Equipment the subject of the claim.

14.5 In no event will VEGA be liable in respect of any failure by the Customer to comply with any Relevant Consents as defined in Condition 4.5 above or to perform any of its other obligations under the Agreement.

14.6 During the continuance of the Agreement VEGA shall have Employer's Liability insurance of not less than £10 million in respect of any one occurrence, Public Liability Insurance of not less than

£5 million in respect of any one occurrence, and Product Liability Insurance of not less than £5 million in respect of any one occurrence and in aggregate.

15. EVENTS BEYOND VEGA'S CONTROL

VEGA reserves the right to defer the date of delivery and installation of the Equipment or the performance of the Maintenance Services or to cancel the Agreement (without liability to the Customer) if VEGA is prevented from or delayed in carrying on its business due to circumstances beyond VEGA's reasonable control including, without limitation, acts of God, governmental actions, war or national emergency, riot, civil commotion, fire, explosion, flood, epidemic, lock-outs, strikes or other labour disputes (whether or not relating to either party's workforce), restraints or delays affecting carriers or sub-contractors or inability or delay in obtaining supplies of adequate or suitable materials.

16. CHANGE CONTROL AND SUBSTITUTION OF TECHNOLOGY

16.1 The Customer may, by giving written notice to VEGA at any time prior to the delivery and installation of the Equipment, request a change to the Equipment.

16.2 Within seven Working Days of receipt of such notice, VEGA shall, at its standard rates then in force, prepare for the Customer, as appropriate, a written quote for or estimate of any increase or decrease in the Price and Initial Maintenance Fee, and of any effect that the requested change would have on the Agreement and the Delivery and Installation Date.

16.3 Within 7 Working Days of receipt of the written quote or estimate referred to in Condition 16.2, the Customer shall notify VEGA in writing whether it wishes the requested change to be made. If the change is required, VEGA shall not make the requested change until the parties have agreed and signed a written agreement specifying any changes to the Agreement, the Delivery and Installation Date, Price and Initial Maintenance Fee. If the Customer does not wish the requested change to be made the Delivery and Installation Date set out in the Quotation will be amended as appropriate to reflect the time taken by the change control procedure.

17. CONFIDENTIALITY

17.1 Except as may be required by law, the Customer agrees to keep all information disclosed to it during the Agreement confidential and to use it only for performing its obligations under the Agreement. The Customer shall restrict disclosure of such confidential material to such of its employees, agents or sub-contractors as need to know the same for discharging the party's obligations under the Agreement and shall ensure that such employees, agents or sub-contractors are subject to like obligations of confidentiality as the recipient.

17.2 This Condition 17 shall survive termination of the Agreement.

18. MISCELLANEOUS

18.1 Any termination of the Agreement or any part of it shall not release any liability of either party arising from events prior to the termination. Any terms which either expressly or by their nature are to continue after termination shall survive and remain in effect.

18.2 These Conditions, the Quotation and the Scope of Work contain the entire agreement between the parties with respect to the subject matter of the Agreement and supersede all oral and written communications and any prior agreement with respect thereto. No variation to the Agreement shall have effect unless expressly agreed to in writing and signed by duly authorised representatives of VEGA and the Customer.

18.3 The Customer acknowledges that, in entering the Agreement, it has not done so based on or relied on any representation, warranty or other provision except as expressly provided in the Agreement.

18.4 The Customer shall not assign or otherwise transfer any of its rights or obligations under the Agreement without VEGA's prior written consent, such consent not to be unreasonably delayed or withheld. VEGA shall be entitled to assign or sub-contract any of its rights or obligations under the Agreement to any holding, associated or subsidiary company.

18.5 Any notice or other document to be given under the Agreement shall be in writing and shall be deemed to have been served (if delivered by hand) on the date of delivery, (if delivered by first class post) on the second Working Day following the date of posting, (if given by facsimile transmission) on the date of transmission provided that within 24 hours after transmission a

confirming copy thereof is sent by first class prepaid post to the other party at the address set out in the Agreement.

18.6 Nothing in these Conditions confers on any third party any benefit or any right to enforce any of these Conditions.

18.7 If any of the terms, conditions or provisions of the Agreement shall be determined by any competent authority to be invalid, unlawful, unenforceable or unreasonable to any extent, such term, condition or provision shall to that extent be severed from the body of this Agreement and the remainder thereof shall continue to be valid and enforceable fully permitted by law.

18.8 Failure or delay by VEGA in enforcing or partially enforcing any provision of the Agreement will not be construed as a waiver of any of its rights under the Agreement. Any waiver by VEGA of any breach of, or any default under, any provision of the Agreement by the Customer will not be deemed a waiver of any subsequent breach or default and will in no way affect the other terms of the Agreement.

18.9 The formation, existence, construction, performance, validity and all aspects of the Agreement shall be governed by English law and the parties submit to the jurisdiction of the English Courts.
